

# TM52 Tapping Machine

## High precise impact noise generator

### Order Number

**800288.5**

- Remote control
- Electromagnetic working principle
- Lighten aluminium frame
- 3 adjustable disappearance rubber feet
- Practical inspection door **new**
- Battery level indicator **new**
- Up to 60 min operating time with battery  
(15 min more compared to TM50)

### Sound insulation according to:

- ISO 10140
- ISO 16283
- DIN 52210
- BS 5821

### Scope of delivery:

- TM52
- Battery pack
- Remote control
- Transport bag
- 5m AC cable
- Instruction manual

### Technical specifications:

- Weight without / with battery: 11.0 / 12.5 kg  
(1,5 kg less compared to TM50)
- Dimensions WxHxD: 120 x 260 x 560 mm
- Power supply: 100 ... 240 V, 50 ... 60 Hz or battery
- Operating temperature: -10 ... 40°C
